

Built-In Ice Makers

Built-In Ice Makers
I3-i

Mermaid's private labeled stainless steel built-in ice makers are second to none in the industry. The polished stainless steel body with a recessed door equate to a phenomenal looking machine. Not to mention it produces up to 25lbs of ice in 24 hours! We encourage you to see for yourself!

Manufactured out of polished stainless steel, the Mermaid I3i model ice maker is a wonderful addition to any vessel or RV looking for the convenience of ice on board. This model will produce up to 25-30lbs of ice in a 24hr time frame. It will hold nearly 12lbs at one time! The unit is provided with a clear ice bucket and a one-year warranty. They are a great replacement for the U-line I95 and I98 model machine.
