

Mase 2.5 Generator

Mase 2.5 Generator
Mase25

Each generator Mermaid provides comes complete with a two year warranty and complete technical support. Mermaid does not do the installations, however, we can certainly refer you to a firm who works closely with Mermaid to assist you. Simply select the model you prefer below and we will assist you from there!

The MASE 2.5 Generator is designed specifically for the marine environment. This Deisel four-stroke engine operates at 3000 RPM's at

50hz and 3600 RPM's at 60hz. This will provide 2 KW at 50hz and 2.2 KW at 60hz. For a complete list of specifications, see the PDF file below. This unit available in 50 or 60hz.

Mase Generators are second to none in the industry. Complete with sound shield for low noise, the Mase Generators are manufactured exclusively with an Intercooler System designed to keep the alternator at the ideal temperature. Mase is a welcomed addition to any vessel looking for standby power to operate air conditioners, appliances, or other comforts.

**** SPECIAL ANNOUNCEMENT ****

This unit WILL operate the Mermaid Model M-16 - 16,500 BTU Cool Only AND Reverse Cycle units! This test was completed by both Mase and Mermaid! We are the ONLY Marine Air Conditioning/Heating company to produce a 16,500 BTU that will operate on a 2.2KW Generator.
